

Kendyl and Friends Playground Fundraiser/Vendor Application

Playing Around For A Cause

August 8, 2016

I would personally like to invite you to take part in our upcoming fundraiser for Kendyl and Friends Playground. Inspired by five-year-old Kendyl, who was diagnosed with Meningitis as an infant and now has little mobility and uses a wheelchair, the playground seeks to give disabled or special needs individuals a place to feel safe and have fun. The goals of the event are to raise awareness about the playground and to raise a substantial amount of money toward the building cost of \$250,000. The individuals participating will be volunteers, vendors from various counties, and those running games and booths. However, these are not the only ways to get involved!

Part of the fundraiser includes something similar to a mini Special Olympics Games, where disabled or special needs children and adults are invited to participate in an assortment of events. All of the participants will earn a medal, a t-shirt, and a Walmart gift card. In order to furnish these awards for the participants, we have to get sponsors who are willing to donate towards this awesome cause, and these amazing people. A typical sponsorship is worth \$100.00 and gets a participant the three items listed above. There is more than one type of sponsorship, as we would like anyone who wants to sponsor to be able to!

We understand that as sponsors, recognition is deserved for donating and helping out such great causes. For our sponsors, we will publish the desired name (individual, family, or company) and location (city and state) in the Harrodsburg Herald and announce the sponsors throughout the event. Corporate sponsors may request other things, like hanging a banner at the event or setting up an informational booth.

Please understand that this is a fundraising event for a wonderful project that will change lives!

If you wish to sponsor, there is a form attached with all necessary information and steps to becoming a sponsor. However, if you have questions about sponsoring or donating to Kendyl and Friends Playground, please do not hesitate to contact:

Crimson Claycomb 859-325-6075
crimsonclaycomb@hotmail.com

Danielle Gibson 606-782-0704
dngibson@moreheadstate.edu

We would like to express our appreciation for your consideration, and if you choose to become a sponsor, we deeply appreciate what you're doing and giving to this amazing cause.

Thank you,

Crimson Claycomb and Danielle Gibson

Types of Sponsorships

Regular Sponsorship:

\$100.00 from an individual, family, or company (business, restaurant, doctor office, etc).

Co-Sponsorship:

If you know anyone that would also like to become a sponsor, but may not be able to afford the entire \$100, you can get together (however many people you wish) and co-sponsor a participant! As long as the total adds up to \$100, then you and your group will be considered sponsors.

Corporate Sponsorship:

The lowest amount required of a corporate sponsor is \$1000.00, though it can range to however much you're willing to donate.

Details:

Date of the fundraiser: October 8, 2016
